Dr. Arulmalar Ramaraj
B.Arch, MTP & Ph.D

Arulmalar Ramaraj has done the Bachelor of Architecture and Masters in Town and Country Planning from Anna University in 2001 and 2002 respectively. The title of her doctoral thesis is 'Investigation of post-consumer packaging wastes as secondary resources for non – structural applications in architecture' which she had completed in November 2020. Her interests revolve around re-contextualization, recycling, post consumer packaging wastes, creativity and pedagogy. She has planned and conducted numerous open ended workshops focusing on re-contextualization, creativity for teachers as well as students of architecture at the regional level. She has published several papers in journals and conferences.
